

# Disaster Restoration

*When disaster strikes your business, your day to day operations are completely disrupted. All you want to do is get everything back to normal as soon as possible!*

**ServiceMaster Clean** is here to provide *Peace of Mind* amidst all of the disruption. Our technicians are trained, equipped, and ready to restore your business after any disaster. From water in the basement to fire and smoke damage in the kitchen, **ServiceMaster** will be there to provide *Peace of Mind*!

At **ServiceMaster Clean**, our extensive coverage and localized response provides direct access to the resources of an international company, along with the local relationships—personal contact and care you expect from local company.

**ServiceMaster Clean** developed the **Quality Restoration Vendor (QRV) program** to establish a high standard for disaster response that is consistent coast-to-coast and from vendor to vendor. We are **QRV certified**, which means we have endured intensive training and taken courses to ensure we give you the highest quality service when disaster strikes.

**From water and mold damage to smoke and fire damage, ServiceMaster Clean has been successfully mitigating homes and businesses since 1989.**

Put your trust in those who know. Trust our team at **ServiceMaster Clean**!

Services

Getting your life as close to pre-loss condition as we can is our number one priority.

## Disaster Restoration Services

To learn more, select from the following list of services:

[Water Damage Restoration](#)

[Mold Damage Remediation](#)

[Fire Damage Restoration](#)

[Smoke Damage Mitigation](#)

[Trauma, Vandalism, & Crime Scene Cleanup](#)

Whether there is water damage, fire damage or an act of Mother Nature, the outcome is the same and time is of the most importance. To better the chance of a complete recovery, call **ServiceMaster of Allegany County** as soon as possible. Water and smoke-damaged items can quickly become unsalvageable without swift, effective action. Structural damage can worsen without immediate attention.

## Why You Can Rely on ServiceMaster of Allegany County

- 24/7/365 emergency response
- Experts in emergency mitigation and property recovery
- Locally-owned business backed by national resources
- Proven disaster restoration procedures and technology
- A wide range of services to recover your home or business to its pre-loss state
- Work with major insurance companies and self-insured businesses
- Competitive, industry-approved rates
