

Hard Surface Floor Care

ServiceMASTER
Clean®

Your hard surface floors take a beating day in and day out. Trust ServiceMaster Cleaning Specialists to put that shine back on your hardwood and tile floors.

Superior Clean and Shine.

Even if your floor is old, ServiceMaster Clean can still help it look like new. Through laboratory research and extensive field experience, we've developed numerous programs and regimens to care for marble, vinyl, ceramic, quarry tile, wood and other floor surfaces. We even have the resources to remove some minor scratches and offer our state-of-the-art cleaning products and equipment.

ServiceMaster Clean
Commercial
Services

Hard-surface floor care includes, but may not be limited to:

- Superior clean and shine
- Reduced wear on floor surfaces
- Faster and more efficient regular cleaning
- Dust-free burnishing
- Enhanced slip resistance
